

Your SLT Price and Discounts Guide

SLT Discounts

⚠ Important: All discounts must be in your MEDLIFE Rewards account before you register for a trip. No discounts can be applied after booking. Make sure your discounts have been applied to your rewards account before completing your SLT registration.

1. Early Bird Discount

Early Bird Discount · Public · Seasonal ·	\$100 off
Who can get it	Any student — this is publicly available
How to get it	No code needed. When the early-bird window is open, the discounted price is shown on the booking page. Book before the early-bird deadline for your season and the \$100 saving applies automatically at checkout.

Early-Bird Deadlines Register by this date to get \$100 off	Deposit Deadlines Chapter's regular deposit (200 USD non-refundable deposit) - No discount.
Winter SLTs (Jan–Feb 2027 departure) October 4, 2026 <i>*Spring and Summer not confirmed</i>	Winter SLTs October 18, 2026
	Spring SLTs December 6, 2026
	Summer SLTs February 14, 2027

⚠ Once the early-bird deadline passes, the \$100 discount is gone. You can still register at regular price until the deposit deadline. The deposit deadline is the final cutoff for your chapter's group registration — no one can join after that date.

2. QR Discount Available to all students · Renewed each academic year	\$50 off
---	-----------------

Who can get it	Any student who submits the MEDLIFE QR form
Valid	For one SLT booking within the academic year the form is submitted
How to get it	Scan the QR code at a MEDLIFE event or access the form directly. Fill it out — even if you've done it before. The \$50 discount code is automatically added to your MEDLIFE Rewards account upon completion of the form. Log in at checkout and the code appears ready to apply.
What to know	<i>You can do this every academic year. There's no restriction on previous submissions.</i>

3. E-Board Discount For active E-board officers only	\$50 off
--	-----------------

Who can get it	Students who are active E-board officers in the semester of the trip
Deadline	The E-board onboarding form must be submitted before the start of the new school year
How to get it	Complete the E-board onboarding form sent to all incoming officers at the start of the year. Once submitted, the \$50 discount code is automatically added to your MEDLIFE Rewards account.

**What to know**

If you miss the form deadline at the start of the school year, you will not receive the E-board discount for that trip cycle.

4. Global Impact Discount

For returning travelers

\$150 off

Who can get it	Any student who has completed at least one prior SLT
When it's issued	Automatically after your completed trip is logged in the MEDLIFE system
How to get it	You don't need to do anything after your trip. Once MEDLIFE logs your completed trip, a \$150 discount code is automatically issued to your MEDLIFE Rewards account for your next SLT.
What to know	<i>This is one of the highest-value discounts available and stacks with other discounts. It is issued once per completed trip.</i>

5. Volume Discount

Automatic · Chapter-wide

Varies by group size

Who can get it	All confirmed, paid travelers in your chapter — the more travelers your chapter brings, the lower the price per person for everyone
How much	Savings depend on your chapter's group size. See the Trip Prices table at the top of this document. For example: a group of 18–40 travelers to Peru pays \$1,883/person vs. \$1,983 for a group under 5 — a saving of \$100 per person.
Group size tiers	See the Trip prices table at “FY2026–2027 Trip Prices — Per Person”
Deadline	You must be registered and fully paid by the final deposit deadline. Your group size is counted at that cutoff — not after.
How to get it	Register and pay before the final deposit deadline. When your chapter's confirmed count moves into a lower price tier, everyone who already paid receives a refund for the difference after the final payment deadline. No form or code required.
What to know	<i>There are no exceptions. If you book after the deposit deadline you do not qualify, even if your chapter reaches a higher tier after the fact.</i>

6. MVP Discount

E-board officers only · Chapter-nominated

Full trip cost

Who can get it	E-board officers who recruit 10 or more confirmed SLT travelers (those who have paid their deposit)
How much	A discount code equal to the full trip cost — meaning you travel for free
Stackable	Yes — every 10 additional confirmed recruits earns another MVP discount
How to get it	Recruit 10 students who confirm their SLT spot by paying their deposit. Your chapter nominates you in the MEDLIFE system. Your Chapter Coach reviews and approves the nomination, then MEDLIFE International gives final sign-off. Once approved, a trip-specific discount code is sent to you.
Exception	If your chapter reaches full capacity before you hit 10 recruits, one MVP code may still be issued through a manual review process. This must be requested and is not automatic.
What to know	<i>The discount code is tied to a specific trip week and location — it cannot be transferred to a different trip. Nomination goes through your chapter, then your coach, then MEDLIFE International.</i>

Stacking Discounts

Most discounts can be combined. Here is an example of what a returning E-board member with an active account can save:

Account / QR discount	\$50
E-board discount	\$50
Returning traveler discount	\$150
TOTAL SAVINGS	\$250 off

i Note: If you also qualify for the MVP discount (10 confirmed recruits), it replaces the numerical discounts. QR and E-board discounts do not stack on top of the MVP discount. MVP is the maximum amount of discount per student, any additional discounts cannot be used on excursions or upsells (excursions and others).

Key Rules to Remember

- **Discounts must be in your account before booking**
No discount can be applied after you complete your registration. Make sure all discounts you've earned are visible in your MEDLIFE Rewards account before you open the booking page.
- **One SLT redemption per year (for points-based discounts)**
If you're using the points-based discount system (\$50 or \$100 off), you can only redeem once per academic year.
- **Volume discount has a hard cutoff**
Only students who have paid in full by the final deposit deadline qualify. There are no exceptions.
- **MVP codes are trip-specific**
Your MVP discount code is tied to a specific trip week and location. It cannot be moved to a different trip.
- **Your discounts appear at checkout**
Log in to your MEDLIFE Rewards account before completing your booking. All earned discount codes will be visible in the checkout panel. If any discounts are not visible, please reach out to advocate@medlifemovement.org before registering. Refunds will not be given after the fact for missed discounts.

 **Questions?** Reach out to your Chapter Coach or E-board President. They can confirm which discounts you've already earned and help make sure everything is in your account before registration opens.
